The pleasure of your company is requested at the 2006 Lowell High School Senior Prom on Friday, May 26 at six thirty in the evening.

Seniors & their guests entered the Lowell Memorial Auditorium just after a fire alarm delay and with rain coming down intermittently. Ladies scurried up the side staircase to preserve their hair & makeup, while the gentlemen tried to keep dry with umbrellas.

Lenzi's Catering provided a variety of food options including a late nite snack table that showcased a fruitful chocolate fountain.

Prom decorations were created by members of the Yearbook Journalism class with the assistance of the class officers; who knew a gazebo would take 10 hours to construct?

Formal portraits were captured by O'Connor Studios while DJ Josh Spitaleri of Pure Energy Entertainment kept the party going until midnight with fun games & splashy videos.

Prom Queen Sophors Ros & King Matt Fitzgerald were crowned at 9:30 to the delight of the 850 plus guests in attendance.

A Senior Moment

Valedictorian Stephen Cai stands as his biography is read during Commencement Exercises.

Class President Timmy Thok presents the Class Gift to Mayor William Martin during the ceremony.

Student Representative Christie Onyechi addresses her classmates during the Reflections of a Student speech.

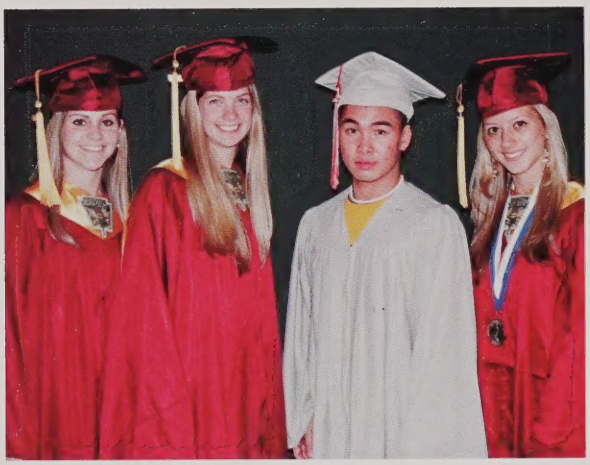
Gathered inside the Paul E. Tsongas Arena, 751 members of the Class of 2006 received recognition at Commencement Exercises on Wednesday, June 7. After a morning practice & cookout that was forced indoors due to rainy weather, graduates gathered beneath the arena prior to the 6 p.m. start. A swarm of Red & Grey gowns processed in with family, friends and teachers waving & cheering for the class. The Air Force Jr ROTC Honor Guard posted the colors to begin the evening. Recognition during the event was given to students who achieved 90% or better during their 4 year tenure as well as shoutouts to students who had perfect attendance. Mrs. McNamara kept busy eliminating the four beach ball distractions to the amusement of C House students. Close to our thoughts was D Housemaster Steve Ronan who was remembered by the Headmaster during his speech. After a brief two hours, diplomas were distributed and the Class of 2006 departed to the sounds of the Lowell High School Band and the school song.

With the shake of Mayor Martin's hand, Blanca Zayas accepts the final diploma for the Class of 2006.

Senior Jessica Plante stands among a sea of classmates during the recognition for perfect attendance.

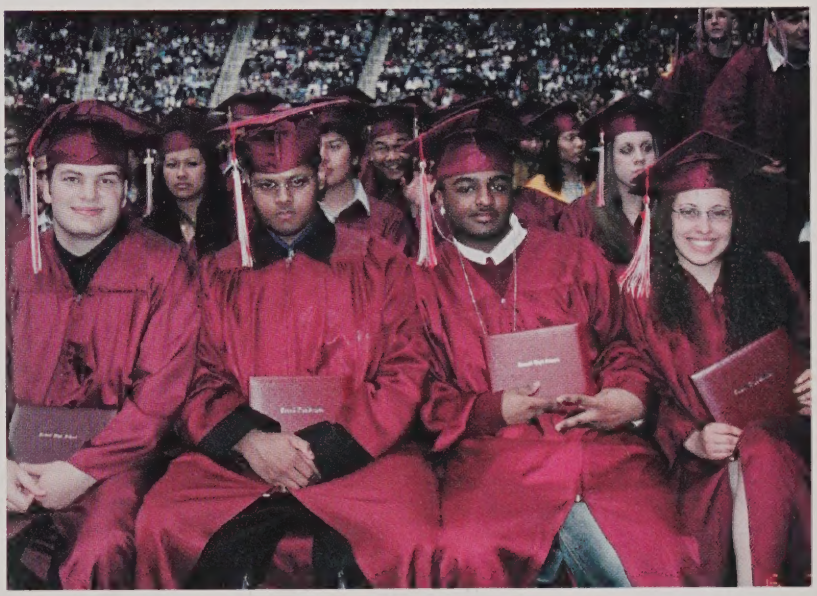
Carney Medalists Stephen Cai, Helen Chim, Lauren Rivard, Kristi-Anne Caisse, Joshua Prakonekham & Sovanda Mouy gather outside the Carney Medal reception.

Mike Regan shows off the prize; Shalmai Rivera recognizes Influential Teachers; the Cruz twins exit the event; Ignacio Perez receives his diploma; graduates gather in the hallway before the ceremony; the Matteau twins celebrate with a hug; Ben Ratty appears incognito with his fake hair.



Treasurer Barbara Linnehan, Vice President Noelle Horelik, President Timmy Thok, Secretary Emmanuelle Paiva take in the atmosphere of the night.

Fresh off the stage with the first diplomas, D House members Victor Archambault, Shanaan Amin, Glendor Alves & Katherine Adorno celebrate their accomplishments.



Veterans of War are honored during the ceremony with diplomas; recognized were Joseph Forsythe, William Horgan, Edward McCabe, James Nutter, William Poulis, John Mullen, James Kelleher & Ralph Hopkins.

Salutatorian Helen Chim address the audience. Accompanied by the Spindles Show Choir, vocalist Elizabeth Bedard sings the national anthem.

Forever Young as Freshman

The Freshman Fling is the first big dance in high school. Over 400 students with guests guaranteed their fun by purchasing a $10 ticket from Room 417 with Mrs. McNamara. Purchasing your ticket was the easy part, now the focus moves to impress.

You search for the perfect attire, the hippest hair-do and hope to find the perfect date. Although many students chose to attend with gal pals or macho men, some braved to take a date.

The Fling was held in the Thomas F. Murphy Cafeteria from 6:30-10 p.m. Although you may think the cafe is not the ideal location, decorations of blue & gold splashed the room, and the DJ was located near the canal windows for premium coolness from the canal.

DJ Josh Spitaleri pumped the jams with other members of PureEnergy Entertainment. While sandwiches, chips and cookies were served to refresh you while the soda bar kept your thirst quenched after a night of dancing.

Students also had the opportunity to catch their memories in print with Photos in A Minute. Buddy Shots were most popular with students and if you wanted more, they were available online for purchase after the event. By the end of the evening, students savored tons of memories while thinking of what the Sophomore Sno-Cial may hold.

Busting their moves, Freshman listen to the instructions of DJ Josh Spitaleri and clap the night away on the dance floor.

Pep Club Advisor Tom Thornton gives out ballots

Score Doesn't Reign on Royal Event

"Who is it going to be?" was the question on everyone's mind leading up to the Homecoming Football game on Friday, November 4, 2005. Posters covered the wall of LHS asking for your vote. Smiling pictures and crazy slogans plastered both buildings advertising the candidates for the 2005 Homecoming Queen. Candidates even made their way over the the Freshman Academy building, just to get some extra votes. Candidates were chosen by their respective club or fall sports team and 27 girls vied for the final five spots on the Homecoming Court.

Friends surround their candidate Madely Flores.

Like every year, voting took place in the cafeteria outside of Student Activities Room 417. During lunch mods only on October 28, Pep Club adviser Mr. Thornton toiled through lists of student names to verify voting and hand out ballots. Over 700 took action and made their voice heard through the voting process.

Lien Long congratulates Queen Chastidy Sanchez.

Besides voting, students were able to participate in the Homecoming Dance held on Thursday night. Only 150 students showed up to dance to the beats by DJ Anthony Alcantaro. Although the number was small, the crowd kept moving on the dance floor, making it another sweaty LHS dance.

Kevin Griffin, Brittany Gilman & Kimberly Janoca keep the beat!

Although the Dracut Middies stole the fun of the football game by just 7 points, the Court reigned during the game. Seniors from Band, Color Guard, Cheerleading & Football were recognized in pre-game festivities while half-time was dominated by the announcement of Mr. Football & Homecoming Queen. Crossing Tough Competition in the MVC

TRONG START
arting the race, Lowell boys take
e fast start off the mark.

The Merrimack Valley Conference has always been the toughest league in the state. LHS athletes continue to excel including our runners. Returning only one student-athlete to the course, Boys Cross Country rebuilt with a season record of 5-4. Finishing Fifth at the MVC League Championship, seniors Paul Gendron & Geoff Wahome received Division 1 All Star honors with junior Colin Dougherty; while freshman Stephen Wahome was selected to the All Conference Team. A highlight of the season was finishing Eighth at the State Division 1 Championship ahead of MVC rival Haverhill.

The Lady Red Raiders also had high expectations going into the season. Returning athletes were prepared after participating in summer camps. With Amanda Leahy & Noelle Horelik sidelined during the season loosing two top runners was a hardship for the team. Three Cheers for LHS

Under the direction of new Head Coach John Beaton and former LHS Cheerleader Beth McDermott, the LHS Cheerleading team was led in a new direction. With fierce determination, returning four year members Carolyn McNeil & Sarah Blier had something to prove & to teach their young teammates. With a new attitude & new uniforms the team looked strong at football games & anticipated the Fall Competition season. Lowell placed Third at MVCs to move to the North Division 1 Regionals.

With tryouts for the winter season, new teammates added to their already powerful team. Alex Danh looked to make the team co-ed for the first time, but the MSSAA kept him from competing. At Winter MVCs, Lowell moved to Second Place & on to Regionals at LHS to place Second above rivals Somerville. At the MSSAA State Competition in North Andover, Lowell qualified through scoring for a national competition & will attend a National Cheerleaders Association Tournament in the spring; a feat that has not been accomplished since Beth McDermott traveled to NYC in 1999.

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

RISING FROM THE STORMS

August

25 Hurricane Katrina strikes Florida.

28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.

29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breeched, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.

31 President Bush surveys the damage.

September

1 30,000 National Guard troops are deployed. Gas prices spike to as high as $5 per gallon.

2 President Bush visits Louisiana and signs a $10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.

4 The New Orleans Superdome is evacuated.

6 President Bush and Congress pledge to investigate the flawed disaster response.

9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.

12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.

14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.

15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.

20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.

22 Rita hits the Louisiana coast and heads for Texas.

23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.
